Fairfax Nursing Center Awarded 5-Star Rating from CMS

Fairfax, VA.....Robert Bainum, the Founder of Fairfax Nursing Center is very proud to announce that the Centers for Medicare and Medicaid Services has awarded Fairfax Nursing Center a five- star rating, the highest rating for overall quality.

The Centers for Medicare and Medicaid Services five- star rating system rates the nation's skilled nursing facilities on a 1 to 5 star scale, based on the results of onsite surveys to determine their compliance with federal and state regulations during a twelve month period. Facilities are rated on the results of their performance in complying with healthcare standards, quality measures and staffing. Only the top 10 percent of nursing homes are eligible for the Five-Star

Rating. The Centers for Medicare and Medicaid Services computes the Five-Star Ratings each month based on the most current survey data it receives for each facility.
